And the winner is.....

The TIPS *tote bag* competition has seen its most competitive year. Entrants have lowered themselves to bribery, falsifying photos and even counterfeiting the actual bag, (as far away as the Ukraine, a counterfeit bag was shown in a photo in our own TI Sun). As tempting as the bribes were, TIPS judges held firm and awarded the coveted \$100 gift certificate to a client who went to "new depths" for a victory. Chris and Lisa Brown, Maple Island/Boston, MA painstakingly calculated the precise location that would take them half way around the world. The location of LAT 17 degrees 50.846 min. S and LON 148 degrees 27.386 min. E would have been sufficient for this years win, but to set the bar even higher for future participants they were 75 feet below in the Coral Sea! Their winning photo, in full Scuba gear, will be available on our web site. Check it out, and congratulations to Chris and Lisa.

Reminder

- Winter is the ideal time for corrective pruning and thinning your trees. This will greatly enhance their health and

reduce the potential for future damage from ice/wind. The winter months allow easy access within the tree and enhanced visibility to spot any potential damage. The frozen ground makes for easy cleanup and leaves no tracks on your lawn. Call now for the earliest appointments.

- Cell Phone Communication: Cell phone service and reliability are still not 100% here along the river. Please do not rely solely on this as our only means of communication. We try and return all of our calls immediately, but in the event we don't respond in a timely fashion after you leave a voice mail, or if you are unable to contact us at any time please call our home/office number.

Thank you!

A sincere and heartfelt thanks from all of us at TIPS. Brian Nutting, Devin James, John Reff, John Cipullo, and George appreciate the opportunity to work for you. Our work is very rewarding to us, and your continued support and friendship make each day very enjoyable.

We all wish you and your loved ones continued health, happiness, and a very prosperous new year.

*Merry Christmas and a
Happy 2004!*
